Pastor’s Column

Today we start the New Liturgical Year Cycle C. As, we start this new year let us make a resolution to come to mass on time. It is only good manners to arrive on time to worship God. Mass will start as soon as the hour bell finishes tolling, so please make an effort to be here on time as a courtesy to God and your fellow parishioners.

During this year as a church, our Holy Father Francis declared a Holy Year entitled God’s Mercy. We are urged to participate in the services and activities of this year of God’s grace. God’s mercy is a font of His love for each of us as His Children. The year of mercy is based in scripture and Tradition. In the Old Testament there are years of Jubilee in which debt is forgiven and God forgives people of their offenses. God forgives the chosen people for their unfaithful ways as in restoring them back to Jerusalem after the Babylonian Captivity. In the New Testament, we see God’s mercy in the healing miracles of Jesus. He associates with the outcasts of society, such as tax collectors and sinners. Jesus imparts healing to these people to the chagrin of the Pharisees and Scribes. Jesus again imparts his mercy on all of us during this year of God’s Mercy.

In the Holy Year we are to look at our relationship with God and His mercy. We will do this in a special way as we celebrate our 70th anniversary as a parish. We will combine religious and social events to mark the anniversary and Holy Year. So let us work together on these events and to attend them. Take advantage of the graces of God in this year of mercy!

God Bless,
Fr. Rich
